

RELEASE FROM LIABILITY

I, the undersigned, hereby agree to abide by the Pacific Coast Fox Trotter Association's rules and regulations. I acknowledge that horseback riding is a sport which carries inherent risks of injury and damage to myself, my horse and property. I knowingly assume all risks, whether known or unknown, of horseback riding. I hereby release the PCFTA, its directors, officers, agents, helpers, and members from all liability for any act of negligence or want of ordinary care on their part. In consideration of my participation in activities organized or sponsored by the PCFTA, I hereby waive and discharge the PCFTA, its directors, officials, agents, helpers, and members against all claims of liability for illness, injury or damage to myself, other members of my family, riders of my horse, my animals, or my property arising out of my participation. This agreement is binding upon my executors, heirs, and assigns. I expressly waive any rights I may have under California Civil Code 1542 which states: "A general release does not extend claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor." I agree and will defend, indemnify and hold harmless the PCFTA, its directors, officers, agents, helpers, and members against all claims, demands, and causes of action, including court costs and actual attorney fees, arising from any proceeding or lawsuits brought by or prosecuted for my benefit, in which this release is upheld. I acknowledge that I have read this RELEASE FROM LIABILITY and know and understand its contents.

PLEASE NOTE:

The exhibitor is required to report to the show management all prohibited drugs administered to any horse within 72 hours prior to the performance of the horse. A report will be sent to the California Department of Food and Agriculture. "A prohibited drug is a drug of such character as could affect the performance or disposition of the animal such as a stimulant, depressant, tranquilizer, anesthetic, sedative analgesic, corticosteroid, anti-inflammatory medication or soring agent. Any drug that could be considered as a masking agent (a substance that might interfere with the detection of a prohibited drug) is also prohibited." "If the nature of any medication is in question, contact a veterinarian or call the CDFA." "Any exhibitor who violates the provisions of the Horse Drugging Law subject to fine and suspension from exhibiting and forfeiture of all winnings."

All exhibitors, owners, trainers must comply with the Horse Protection Act and cooperate fully with representatives enforcing that act. "Horses with any bilateral hair loss, scarring, callous or granulated tissue on the pasterns or coronet area indicative of the practice of soring will be excused from classes entered." "Any person on any federal (USDA) suspension or disqualification in effect during the show for violation of any provision of the Horse Protection Act may not participate in this show in any capacity other than as a spectator. Prohibited activities include: showing or exhibition horses, hauling horses to and from the show, or caring for horses. Any suspended person must restrict himself to the grandstand, rest room and concession areas and shall not linger in areas where horses are kept."
